Jeff Duncan-Andrade, Ph.D., is Associate Professor of Raza Studies and Education at San Francisco State University. He is also the founder of the Roses in Concrete Community School, a community responsive lab school in East Oakland (www.rosesinconcrete.org), and the Community Responsive Education Group (CRE) working with schools and districts around the world to develop and support effective classroom and school cultures.

As a classroom teacher and school leader in East Oakland for the past 23 years, his pedagogy has been widely studied and acclaimed for producing uncommon levels of social and academic success for students.

Duncan-Andrade lectures around the world and has authored two books and numerous journal articles and book chapters on effective practices in schools.
